SELECT ANY SIX ITEMS FOR \$5.00, OR ANY TWELVE FOR \$10.00

Regular fall list of planting sizes and bulblets ready about October 15th. Quantity buyers will save considerable by purchasing from us. We offer only the good, newer varieties at prices that warrant their purchase. Caution is urged in investing in the new introductions until you have seen them. Many of them are so inferior to older varieties, you will soon have an increase of stock that will be impossible to move with profit if you select every new offering. We grow everything good but offer them only at their true value.
